E1-2124 \$1,360*

UV exposure unit, tabletop w/ vacuum shown on top of optional Utility Cart

UC-1000 \$472*

Optional Utility cart, includes locking casters and 5 shelves as shown

Vacuum Hold-Down

Save space by fitting E-1000 on top of utility cart with light tight door ("coated screen" cabinet) or Dri-Vault 10 screen cabinet. Simply open the cabinet to take out a ready-to-go dry coated screen and place it on top of the exposure unit to burn it for printing. **Save time and unnecessary footsteps.**

Options

- Utility cart for storage and mobility
- Utility cart with light tight door kit becomes a "coated screen" cabinet
- 240 Volt 50/60 HZ
- VRS pin registration
- 40 Watt high output black UV bulbs can be purchased separately for 30% faster exposure times

Entry level *E-100* Light Box

- Upgradeable to *E-1000*
- Timer and ON-OFF switch
- Unfiltered UV lights
- Affordable and space saving
- See E-1000 for available options
- Includes Pressure Pad and Weight

E1-2124-LB \$839*

*Starting List Price (USD). Price does NOT include crating and shipping charges. 6% sales tax will be added for PA billing addresses. Prices subject to change without notice.
