

# HEAT PRESSES & LASER TARGETING

## Heat Presses

### DK20 16" x 20" (41 x 51 cm) Digital Clamshell

- Fully digital temperature control & automatic digital timer
- 70 Programmable presets
- Super-portable light machine weight
- Extreme high pressure capability
- Hardened high-strength pivot points
- Interchangeable tables & Solid Steel framework
- SuperCoil-Microwinding™ heater technology
- Self lifting gas-spring & wide opening
- Temperature readout accuracy +/- 2° F
- User selectable end-of-cycle alarms
- Records number of pressing cycles done
- Teflon-coated 3/4" (1.9 cm) thick heat platen
- Lifetime warranty on heat platen
- Warranty: 3 year on control / 1 year on entire press
- Elec: 120V-1800W-15A / 220V-1800W-8A
- Dims: 36"L x 17"W x 16"H - 103 lbs (91L x 43W x 41H cm - 46.7 kg)

### DK20S 16" x 20" (41 x 51 cm) Digital Swinger

- Digital pressure/height gauge
- 70 Programmable presets
- Solid steel welded framework
- Interchangeable tables
- Temperature readout accuracy +/- 2° F
- User selectable end-of-cycle alarms
- Records number of pressing cycles done
- Fully digital temperature control & automatic digital timer
- SuperCoil-Microwinding™ heater technology
- Accommodates materials up to 1" (2.54 cm) thick
- Teflon-coated 3/4" (1.9 cm) thick heat platen
- Lifetime warranty on heat platen
- Warranty: 3 year on control / 1 year on entire press
- Elec: 120V-1800W-15A / 220V-1800W-8A
- Dims: 32"L x 18"W x 18"H - 185 lbs (81L x 46W x 46H cm - 83.9 kg)

### DC16 14" x 16" (36 x 41 cm) Digital Combo

- Interchangeable tables & pallets
- Solid Steel framework
- Automatic digital timer
- 70 Programmable presets
- Fully digital temperature control
- Automatic air operated pressing
- PSI pressure control gauge
- Shirt & tile attachments included
- Temperature readout accuracy +/- 2° F.
- Records number of pressing cycles done
- Teflon-coated 3/4" (1.9 cm) thick heat platen
- SuperCoil-Microwinding™ heater technology
- Accommodates materials up to 1" (2.54 cm) thick
- Lifetime warranty on heat platen
- 3 year warranty on control
- 1 year warranty on entire press
- Elec: 120V-1500W-12A / 220V available
- Dims: 22"D x 22"W x 22"H - 135 lbs (56D x 56W x 56H cm - 61.2 kg)

### DK3 Digital Mug Press

- Automatic digital timer
- Programmable presets
- Solid steel welded framework
- SuperCoil-Microwinding heater
- Temp. readout accuracy +/- 2° F
- Fully digital temperature control
- User selectable end of cycle alarms
- Records # of pressing cycles done
- Soft heater liner for accommodating inconsistent mugs
- 3 year/3,000 mug heat platen warranty
- 3 year warranty on control
- 1 year warranty on entire press
- Elec: 120V-450W-4A, 220V available
- Dims: 15"D x 15"W x 13"H - 30 lbs (38L x 38W x 33H cm - 137.6 kg)

### JetPress 14

- 12" x 14" (23 x 36 cm) Heat Platen
- Accurate Temperature gauge
- Adjustable Temperature control
- Digital Countdown Timer with alarm
- Space-saving wide clamshell opening
- Solid steel welded frame
- Heating indicator light
- Modular cord & plug
- Silicone pad pressing surface
- Smooth assisted lift gas spring
- Adjustable height for items up to 1/4" (.63 cm) thick
- 1 year warranty
- Elec: 120V-1200W-10A
- Dims: 25"D x 16"W x 24"H - 60 lbs (64L x 41W x 61H cm - 27.2 kg)

Many other models available.

## Laser Targeting

3 Types of Lasers  
line crosshair spot

This garment alignment system projects lasers onto your garment (or other imprintable) to assist in targeting your graphic in the precise location. Works with automatic or manual presses and heat transfer systems (also embroidery, dye sublimation, signs, awards and rhinestone positioning)

Lines used for center graphic (one for center, one for collar)

Crosshairs used for above pocket graphic (one for each top corner)

Lines used to position name and numbers on a heat transfer press

Press mount control panel shown on a Vastex 4 color press

Decrease setup time by 50 - 90%  
Reduce production time by 15 - 40%  
Improve accuracy & quality of product

### Features

- Build your own custom system
  - Choose a control panel (single, manual or automatic)
  - Choose quantity & laser type (Crosshair, line or spot laser)
  - Choose mounting system (floor stand or press mount)
- 2 AAA batteries/laser (protects from power surge damage)
- Easily align lasers by hand and tighten thumb screw
- Maximum precision laser focusing
